ADVANTAGES AT A GLANCE

- > intuitive user panel
- > handier than a standard handtruck
- > extremely lightweight machine: **35.2 lbs** without battery
- > new powerful lithium battery with state-of-charge indicator. **Autonomy** up to **2000 steps** up and down*
- > extremely lightweight lithium battery - only **3.5 lbs**
- > step light for poor light conditions
- > extremely fast - up to **48 steps/min**, depending on the model
- > 2 speed levels: slow/fast
- > intelligent lifting unit starts automatically during downstairs operation
- > choose from hinged or fixed toe plate
- > toe plate made of high-strength aluminum
- > friction clutch and electronic overload protection
- > for all types of stairs, even on spiral staircases and narrow landings
- > large pneumatic tires or upgrade to puncture-proof tires
- > foldable - fits easily into most vehicle trunks or backends

NEO LIFTKAR[®] SAL FOLD

The **NEO LiftKar SAL FOLD** is ideal for transporting loads such as stoves, fireplaces, tiles, washing machines, gas bottles, refrigerators and much more up and down stairs. The patented folding mechanism enables the stairclimber to be balanced ideally in relation to the load.
